Price: **75.00 \$**

Very nice Entertainment Center with 2 unattached Media Piers. The Media Towers alone were \$150 each. You can also use the audio media piers as accent furniture separate from the main tv center. In good condition, has a few scratches on the bottom from normal wear and tear.

This will look great in any home and best of all hides your TV.
It holds a 37-40 inch tv depending on the tv.
Serious inquiries only, please.
